

# FINANCIAL SERVICES GUIDE

*A guide to our relationship with you and others*

***This Financial Services Guide comprises and must be read in conjunction with your adviser's current Adviser Profile that includes amongst other information, details of your adviser's remuneration.***

Distribution of this FSG by your adviser, who is a Lifespan Authorised Representative, is authorised by the licensee, Lifespan Financial Planning Pty Ltd (Lifespan).

This **Financial Services Guide ("FSG")** dated 1 January 2020 outlines your rights as a client and our obligations and responsibilities as the licensee and your adviser.

You have the right to ask us about our charges, the type of advice we will provide to you, and what you can do if you have a complaint about our services. This FSG is intended to inform you of certain basic matters relating to our relationship, prior to us providing you with a financial service.

## **Who provides the financial services offered in the guide?**

The financial services are provided by Lifespan and your adviser. Lifespan's Australian Financial Service Licence and contact details are stated on the last page.

## **The key matters covered by the FSG include the following:**

- who Lifespan and your adviser are;
- how we can be contacted;
- how Lifespan and your adviser are paid;
- what services we are authorised to provide to you;
- details of any potential conflicts of interests;
- details of our dispute resolution procedures and how you can access them

## **Statements of Advice and Product Disclosure Statements**

You should also be aware that you must receive a Statement of Advice (SOA) and Product Disclosure Statements when personal advice involving a financial product is provided to you, i.e. advice that takes into consideration your personal objectives, financial situation and needs. The Statement of Advice will contain the advice, the basis on which it is given which may have influenced the advice. If your adviser provides further advice to you, but not in writing, and that further advice is related to the advice provided in a previous Statement of Advice, that further advice will be recorded in a Record of Advice (ROA). You may request an ROA from your adviser or Lifespan up to seven years after the further advice was provided at no additional cost. In the event we make a recommendation to acquire a particular financial

product (other than securities), we must also provide you with a Product Disclosure Statement containing information about the particular product that will enable you to make an informed decision.

## **Who is responsible for the financial services provided to me?**

Your adviser acts on behalf of Lifespan who is responsible for the advice given to you. However, your adviser may operate separate businesses which do **NOT** involve Lifespan in any way, such as: accounting; auditing; tax return preparation; self-managed super fund compliance and administration; property sales and referrals; and other products and activities. Therefore, Lifespan is **NOT** responsible for advice and work associated with products and services where your adviser is not acting as an authorised representative of Lifespan. If you are uncertain you should ask either your adviser or Lifespan Head Office who is responsible for that particular advice or transaction.

## **Who is Lifespan?**

Lifespan is a holder of an Australian Financial Services Licence which enables it to act as a financial services provider under the Corporations Act. Lifespan was established in August 1994 and is privately owned by the family interests of the Executive Chairman, John Ardino who has over 30 years experience in financial planning. Lifespan is a Professional Partner of the Financial Planning Association of Australia Ltd, and abides by their Code of Ethics and Rules of Professional Conduct. Lifespan provides a wide range of services to a large network of representatives across Australia to enable them to provide sound advice.

These services include: compliance; supervision; investment research and advice; ongoing professional development and training; an adviser help desk across all financial planning issues and general technical support and advice.

## **Does Lifespan have any relationships or associations with product issuers?**

Lifespan and Omniport Ltd have the same shareholders. Omniport Ltd is an unlisted public company, which is the promoter of the Omniport Wrap Service and the Wealthguard Portfolio Service.

The Omniport Wrap Service is issued by Avanteos Investments Ltd. The transactional, administrative and custodial systems underlying the Omniport Wrap Service are provided by Avanteos Investments Ltd, a company fully owned by the Commonwealth Bank. Lifespan has no ownership connections with any other financial product issuers.

The Wealthguard Portfolio Service is issued and administered by HUB24 Custodial Services Limited who provides the underlying transactional, administrative and custodial systems.

If appropriate for your needs and objectives, your adviser may recommend the Omniport and Wealthguard products to you.

### **What financial services are available to me?**

Financial planning basically involves determining your current situation; establishing your realistic and reasonable goals and needs including your risk profile; and exploring the costs and benefits, potential risks and returns, advantages and disadvantages of the various options reasonably available to you to reach those goals within the limits of relevant laws and available solutions. A course of action is recommended, selected and implemented. The results are periodically reviewed in the light of changes in investment markets, legislation and your own circumstances, needs and goals.

Unless their authorisation is restricted (see the Adviser Profile) Lifespan advisers can generally provide you with sound advice relating to a wide range of important areas such as wealth creation, retirement, redundancy, superannuation, risk insurance, estate planning, Centrelink payments, cashflow management, budgeting and debt repayments, structuring of investment portfolios, borrowing to invest, complex company and trust structures, and so on. Lifespan's research and technical support services enables advisers to provide value added advice on a broad spectrum of financial problems which takes into account relevant regulations pertaining to your situation and goals.

Lifespan is licensed to deal in and provide financial advice on the following range of financial products: Deposit and payment products, standard margin lending, managed investment schemes including Investor Directed Portfolio Services and Managed Discretionary Accounts, securities including shares, Retirement Savings Accounts, superannuation, life insurance investment and risk products and government issued debentures, stocks and bonds.

Lifespan advisers act on your instructions following your acceptance of their advice in the Statement of Advice. They and we should not act independently of your specific instructions (unless you decide to use Lifespan's managed discretionary account service). Any special instructions you provide should be communicated to your adviser in

writing. These instructions should be forwarded in an email, fax or posted letter to your adviser.

### **Tailored, general and ongoing advice**

Lifespan advisers usually provide advice tailored to your individual circumstances and generally have the capacity of implementing the advice they give, except where this may require the use of other professionals (accountants and lawyers). You may choose to enter into an agreement with your adviser to provide you with both initial advice and ongoing advice. If appropriate, we may also provide general advice only, where you are ultimately responsible for ensuring that this advice is suitable to your particular needs, personal circumstances and financial situation. In this case, you should also obtain any related product disclosure statements to assist in this purpose.

### **Should I transfer investment monies to a Lifespan Representative's account?**

Lifespan does not allow representatives to receive your investment funds into their own accounts or into any Lifespan trust account. You should at all times only transfer funds for financial products to those approved financial institutions recommended by your adviser (as specified in the Product Disclosure Statement or similar document), and never to any entity or person other than those institutions.

You should also not sign any blank forms; appoint your adviser as your attorney or authorised signatory without the written approval of Lifespan; or appoint any other person as your attorney or authorised signatory unless you have received legal advice.

### **What information should I provide to receive personalised advice?**

You will need to provide us with your current personal and financial situation such as details of assets, liabilities, income and expenses and personal objectives. This can best be accomplished by completing a Lifespan Client Data Form. The amount and type of information we will require from you depends on what financial services you require.

If you choose not to supply the required information, the advice you receive may not be appropriate to your needs, objectives and financial situation. You should read the warnings contained in the Statement of Advice carefully before making any decision relating to this limited advice and obtain any related product disclosure statements to assist you.

### **How will I pay for the services provided?**

Your adviser's specific method of remuneration and fees, including referral fees are detailed in their Adviser Profile. The exact details will be disclosed to you in an invoice or in the SOA.

All fees will need to be payable to Lifespan. If the adviser's remuneration includes commission paid by the product provider, such commission payment will be made to Lifespan. Lifespan pays 60% or more of all commissions and fees to your Adviser depending upon their total revenue.

### **How are any commissions, fees or other benefits calculated for providing the financial services?**

The three stages of financial planning are Initial Advice, Implementation and Ongoing Reviews. There is usually a separate fee for each of the three stages. Your adviser's remuneration structure for each advice stage will be found in their Adviser Profile and the dollar value disclosed to you in the SOA.

All commissions are payments made by the insurance product provider and are calculated as a percentage of the premium paid on insurance products. Commissions are of two types: (a) upfront or initial; and (b) ongoing or trail.

Fees can be based on either: a percentage of funds invested or funds under advice, or hourly rates multiplied by the hours worked, or an agreed dollar amount for the value of the specific service being performed, or a combination of these.

The typical ranges of commission and fee rates for investments and insurance products are as follows.

Upfront fees can vary between nil and 5.5% on investment products. Example: \$100,000 invested in a wrap service may involve an upfront fee payment of say 3% or \$3,000 which could be deducted from your investment account and paid to Lifespan leaving a net investment of \$97,000.

Ongoing fees can be collected by platforms and other product providers and the percentage based fees can be up to 2% pa but normally in the range of 0.5% to 1.5% pa depending on the size of the portfolio. Example: A portfolio of \$300,000 may be subject to an ongoing portfolio review fee of 1% per annum paid quarterly. This would amount to \$3,000 per annum.

Upfront commissions can be up to 66% of the premium paid on insurance products.

Ongoing commissions can be up to 33%.

The precise amount of all these commissions and any other fees charged is provided in your Statement of Advice.

### **Additional Payments**

Lifespan has negotiated or will negotiate volume based and other additional volume based payments with several fund managers and platform providers including Omniport, and also with risk insurance providers. These volume based payments are sometimes referred to as rebates or platform margins or other names. Volume based payments on various wholesale and retail managed

funds and platforms range from 0.05% pa of funds under advice (FUA) to potentially 0.30% pa of FUA. These percentages may vary from year to year. Additional volume-based risk insurance commissions may range from 10% to 40% of the premiums paid. A share of this volume based commission currently ranging from nil to 60% may be payable to your adviser.

This share may vary from year to year and is dependent upon Lifespan's gross profit from your adviser's activities and other criteria. All relevant details of Lifespan's additional commissions on any financial products and the share your adviser receives will be fully disclosed in your Statement of Advice.

Please note that the ranges of all commission percentages referred to in this document may vary up or down at any time. The actual amounts relevant to you are provided in your SOA.

### **What should I know about any risks of the investments or investment strategies you recommend to me?**

Lifespan advisers may only recommend to you investment products that are researched, analysed and approved by Lifespan. Your adviser should explain any significant risks of investments and financial planning strategies. If the adviser does not do so, you should contact us to explain those risks to you.

### **Who do I complain to if I have a problem with your services?**

The basis for the fee for the SoA will be agreed upon with you before any advice is provided or costs incurred. All other fees are fully disclosed in the Statement of Advice and Product Disclosure Statement prior to any charges being incurred.

**Schedule of fees**

These prices should be used as a guide only. We will discuss your individual needs and agree our fees with you. The actual agreed fees will depend on factors such as the complexity of your circumstances and goals and the scope of the advice.

**Initial Service fee**

These are fees paid when you have agreed to receive our advice:

Initial Service	Fee Amount

This amount is worked out based on the complexity of the advice.

**Commissions**

Insurance	
Upfront commission	Up to 66%*
Ongoing commission	Up to 33%*
*% based on amount of premium and is paid by the insurance provider

All fees are payable to Lifespan. Lifespan retains 5.50% and pays Wealth Connected Financial Solutions 94.50%. Vviral receives a salary and as a director/shareholder of Wealth Connected Financial Solutions is entitled to a Director’s drawing and/or dividend if and when paid.

**Fee Examples:**

Example for Investment Products

If you receive advice regarding an investment of \$100,000, the SoA fee could be \$2,000, of which \$110 is retained by Lifespan, \$1,890 is paid to Wealth Connected Financial Solutions. If you invest \$100,000 the establishment fee will be \$2,750, of which \$151.25 is retained by Lifespan, \$2,598.75 is paid to Wealth Connected Financial Solutions. If you maintained the investment and assuming the balance of the investment remains at \$100,000, the annual portfolio management & review fee will be \$1,000 per annum, of which \$55 is retained by Lifespan, \$945 is paid to Wealth Connected Financial Solutions.

Example for Risk Products

If you receive advice regarding insurance, the SoA fee could be \$500 of which \$27.50 is retained by Lifespan, \$472.50 is paid to Wealth Connected Financial Solutions. Should you proceed with the advice, then the SoA fee could be waived. However, if the policy is cancelled in the first two years (‘responsibility period’) you will be liable for the portion of the commission clawed back.

If you take out a life insurance policy with an annual premium of \$1,500, assuming the highest commission for the Upfront Option is selected at 66%, the upfront payment to Lifespan would be \$990, of which \$54.45 is retained by Lifespan, \$935.55 is paid to Wealth Connected Financial Solutions. The maximum ongoing commission for the Upfront Option is currently 22% per annum which could result in a payment of \$330 per annum for as long as the policy remains in force, of which \$18.15 is retained by Lifespan, \$311.85 is paid to Wealth Connected Financial Solutions. Where a level commission option is selected, it could be as much as 33%, or \$495, of which \$27.22 is retained by Lifespan, \$467.78 is paid to Wealth Connected Financial Solutions.

This commission has what is called a ‘responsibility period’ imposed by the risk product issuer. This means that if the policy is cancelled within the first 1-2 years of

inception commission is returned to the product issuer by Lifespan.

### **Referral Fees**

Vviral may pay the person who referred you to us a fee or commission in relation to that referral. If the referrer receives a fee or commission, we will tell you in the Statement of Advice who will receive that fee or commission and the amount they will receive.
